by Oregon Tilth  
One Gallon

## All-natural & Bio-degradable

**Contents:** Soap made with Organic Coconut Oil 66.73%, Organic Soy Oil 19.22%, Organic Rosemary Oil .80%, Sodium Bicarbonate 2.21%, Potassium Chloride 2.21%.

**Active Ingredients:** Diluted to eight parts water, one part product. Certified Organic Soybean Oil 3.0%, Certified Organic Rosemary oil .10%.

**Inert Ingredients:** Fatty acids, coco potassium salts, certified organic coconut oil, sodium bicarbonate, potassium chloride (from a mined source) and water.

**For Best Results:** Mix 10lbs for dormant oil, 4 lbs for summer oil. Per gallon. Spray at Dusk. This lengthens drying time and treatment. Thoroughly water in the AM, at dusk, spray a fine even mist on stems, leaves, vines and branches. When spraying fruit or ornamental trees, please remember the trunk. Please test! Dilution may be required in 90 plus degree heat to avoid leaf burn. Applications during mid-day or high heat may cause leaf fall or leaf burn, neither of which should harm the plant. Do not apply when freezing temperatures are expected within 24 hours or before a rain, as plant damage may occur. Do not spray fruit or open buds directly. Please visit the website for much more detailed instructions and University Studies. Plants and Pests will not become resistant to Oil Pharm. Do not use within 30 days of a sulfur application.

**Not for use on:** Beech, Japanese Holly, Redbud, Savin Junipers, Photinia, Spruces and Douglas Fir. If in doubt, please test for sensitivity

**Controls:** Powdery Mildew, Scale, Pear Psylla, Mites, Aphids, Whiteflies, Mealybugs, Lace Bugs, Leafhoppers, Eggs, Larvae some Caterpillars, Thrips and overwintering insects.

**Use Freely Until Harvest  
Patent Pending**
